Dear Board Members,

We are writing on behalf of the Coastwalk Board of Directors to request that you approve a grant of \$300,000 to Coastwalk for the purpose of providing support for the completion of the California Coastal Trail. We have been encouraged by the progress the Conservancy and Coastwalk has made in the last four years under the current grant. We look forward to making more progress towards the completion of the trail, especially the opportunity to work on signing the trail, support ongoing efforts to fill gaps and complete the website mapping project.

Our volunteers and staff are eager to continue this work.

Sincerely

Dear Mr. Bosco:

I am pleased to have the opportunity to offer my support for the Coastwalk organization. The Coastal Conservancy will be considering a grant of \$300,000 to Coastwalk for the purpose of providing support for the completion of the California Coastal Trail. I urge your approval of this grant request.

As the author of SB 908 (Chapter 446, Statutes of 2001), which designated the California Coastal Trail as a high State priority, I have been pleased to work closely with the Coastwalk organization. Coastwalk has provided leadership and direction for a difficult undertaking.

Coastwalk has made great progress in the last four years under the current grant. With this organizations help, the State can look forward to completion of the California Coastal Trail in the coming years. The California Coastal Trail is of tremendous value in providing access to our coast.

I am greatly encouraged by the work of the Coastal Conservancy to complete the California Coastal Trail. This is a monumental undertaking and the progress today has been very rewarding. I encourage the Conservancy to continue its support for Coastwalk and the completion of the California Coastal Trail.

Thank you for your attention to this request. Your consideration is always greatly appreciated.

Sincerely,

WESLEY CHESBRO
